

Cypress Cove Elementary Car Rider Information 2020-2021

FOR EVERYONE'S SAFETY PLEASE FOLLOW THE CAR RAMP PROCEDURES STATED BELOW:

All car riders will be dismissed from their classrooms. Be aware, no walk ups are allowed. Only parents with school issued car rider cards will have their children released to them, one at a time, to the car line.

If you need more than one sign, let us know. **Please hang the school issued car sign from your rear view mirror until your child enters your car.** Also please have an appropriate child safety seat (if applicable) in the back seat of the car. Remember, the children will be entering your vehicle on the passenger side of the car. This is to ensure the safety of your children and our staff.

Those who do not have the school issued car rider signs will be instructed to park and have their ID checked. You will then return to the car line to pick up your child. REMEMBER, you must have photo I.D. and be listed on the emergency card to pick up your child.

Car line up does not begin till 2:45. Please start the line at the sign designated. This is for the safety of our students and staff. Parents, thank you for remaining in the car line after you get your child. *Please, do not pass cars ahead of you as they may still be waiting for children.* We strive to bring the children out as safely and quickly as possible. Remember that the bus service is available and usually much faster.

Car line is usually finished by 4:00. Once car line is finished, you will need to get your child from Kitty Cats, located in the cafeteria. You will be charged a \$15 drop in fee by the Kitty Cats staff. Thank you for your patience. We look forward to another safe and successful year at Cypress Cove Elementary.

Thanks again,
Cypress Cove Administration
