

## **Cypress Cove Vision**

Based on the STPSB Strategic Plan, CCE's vision is to provide an exemplary school with high expectations and outstanding student achievement in a developmentally appropriate setting. All educators, staff members, students, families and community members will work together to ensure that:

- Students have a safe, nurturing environment for learning.
- Students are positively challenged, enriched, and inspired.
- Students learn to be self-motivated, literate life-long learners.
- Students grow and learn to be responsible citizens of their community.
